

2009 Komen Quad Cities Race for the Cure® Project S.N.A.P. Mosaic Poster Program

Out of Many, One

The Susan G. Komen Quad Cities Race for the Cure® and Project S.N.A.P. bring you an exciting and unique way to commemorate this year's 20th Anniversary event and support the Komen Quad Cities Race. A limited edition mosaic poster will be created by the award winning mosaic team from Project S.N.A.P. with the images of your Race, and **with your picture in the poster!**

Every participant is clearly visible in the artwork at least once and up to 3 times in the same poster and we even tell you where in the poster you appear! When framed, the artwork is perfect for any home or office setting.

How We Collect the Pictures

On Race Day we will be available to take your picture or you can email your picture to Project S.N.A.P. during the three weeks following the Race. All the pictures will then be arranged to create the image seen here that will become the official poster for your local 2009 Komen Race for the Cure® featuring the 20th Anniversary Seal, date and race logo.

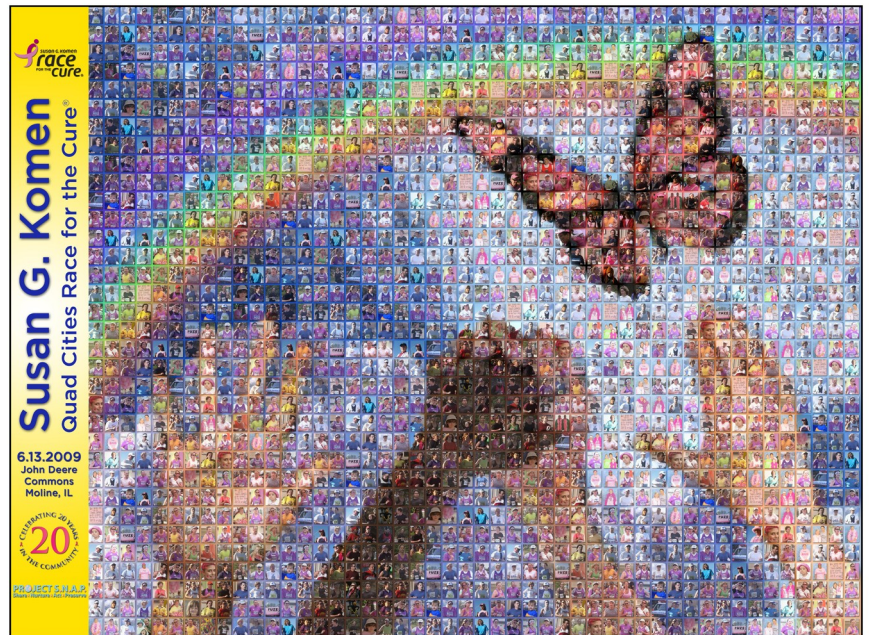

Children Can Participate Too!

Children can create artwork about their "Hope for the Cure" at the Race. Your Race picture and your child's artwork will be in the same poster!

PROJECT S.N.A.P. Share N Nurture Act Preserve
